THE DAYLIGHT STORE

Nineteen Days Clearance Sale

BEGINS AT ONCE AND CLOSSES JANUARY 16th, 1909

Everything in our store that sells for more than five cents each (with the exception of Spool Silk and Thread) will be sold in this sale at reduced prices. As soon as any goods are closed out that ends it—no more at that price. We begin our stock-taking January 18th, and must reduce our stock \$8,000 or \$9,000 before that time. If this sale goes on just as last season, that amount will be very easily reached. Very few goods in this sale pay cost of selling; many are at a loss. This closes our year's business. We are willing to take a loss as it puts us in excellent shape for spring business. Our fall buying being a little too heavy, you get a fuller benefit, as large lots have to be marked cheaper in order to clear than smaller lots would have to be.

Table Damask.

This is the sale at which ladies plan to buy nearly their year's supply of Linens. Business interruptions, together with the presidential election year, have brought manufacturers to dispose of goods in lots, at less than cost of manufacture. The next season is to be one of an entirely different nature. Mills will be on full time and all kinds of Cotton and Linen will be quite a little higher in price.
